

Comparing and contrasting the influences on clothing in two eras.

# Hats Off to History

- How to use this template
1. Research the two eras (1880 and 1980) in [Hats of to History](#), using links found on the Gallery pages.
  2. Look for differences and similarities in the 12 database categories.
  3. List the differences and similarities you find in this graphic organizer or on separate paper.
  4. Conclude your findings through writing or a presentation as part of your groups final product.
