

When I Was Born Family Interview Form

Instructions: Interview at least one family member. Ask about the day of your birth and about things that happened the first year of your life.

Suggested questions:

What hospital was I born in?

What was the weather like?

What time was I born?

What did I weigh? How long was I?

Was there anything unusual about my birth?

Who was at the hospital? What did you do right after I was born? Who did you call first?

What was my first word? When did I first walk? Did I have a favorite toy?

How did my brothers and sisters (if I had any) react to me?

Where did we live?

Did we have any pets?

What happened during the first year of my life?
